EDITOR'S LETTER Summer has done its mesmerizing best to lull you into a state of perpetual relaxation, with you as a willing hostage.

The change between summer and fall seems the most abruof the seasonal changes. The days seem boars shorter, and it chill in the evenings is matched only by that of the pre-dawn

rip in the sit.

One day the scents and sights of fall suddenly appear, and you know it's time to bring out the overstend After a nine string, thoy're ready to give you warrath and pride

Perhaps year'll be inspired by raturely coherbil palette to last scentiling new. The vitrast reds, rich browns and golden yellows of the forests are the perfect inspiration for your own filter masterpiece. Channe well and you'll have a womable.

Enjoy the purside of the passing seasons. You are the one who will determine the beauty of the hours.
